Updated Walking Club Info

The Fuel up to Play 60 is still hosting their Walking Club through January! With a few new incentives. Those students who choose to participate will have a chance to win a signed football from Mason Crosby or one of the two Morgan Burnett standees displayed in the hallway at school. Students should listen to the announcements for Walking Club dates and times. There are still two dates parents are invited to join us!

The dates and times we would like to invite parents to join us are as follows:

January 16, 2018 at 7:30 AM

January 25, 2018 at 3:00 PM

If you would like to join us on any of these days there is no need to sign up. As long as you have completed a district volunteer form for this school year, you are welcome to lace up your shoes and join us on the playground!
