FROM THE SCHOOL NURSE

For hygienic reasons, we will no longer be providing clothing for students that might need a change of clothing during the school day. If you feel your child might be in need of dry clothing of any nature during the school day, please be sure to have clothing from home in your child's backpack. If your child needs a change of clothing during the school day and there is nothing available in the backpack, we will call and ask you to bring the needed clothing to school. If you have any questions or concerns regarding this change in procedure, please contact Janet Meyer, School Nurse at 920-867-8840
