Let's all help reach the 550 mile mark!

Walk this way, with Fuel Up to Play and our walking club. Organizing a walking club is this year's Physical Activity Play and we are trying to reach a goal of 550 miles, the distance from Lambeau Field to the 2018 Super Bowl and back. FUTP60 team members want to challenge Fremont Elementary students, staff and parents to join us! 550 miles won't seem like much if everybody helps. The walking club will take place about twice a week in December and January. Days and times will be announced in the morning. No need to sign up, just join us when you can! Check out the poster across from the office to see our progress. To make it fun we may do walking brain breaks, take a trek on the nature trail, take a trip to the library and back, or a walk around the school. FUTP60 hopes you all help us reach our goal of 550 miles!

The dates and times we would like to invite parents to join us are as follows:

December 22, 2017 at 7:30 AM

January 16, 2018 at 7:30 AM

January 25, 2018 at 3:00 PM

If you would like to join us on any of these days there is no need to sign up. As long as you have completed a district volunteer form for this school year, you are welcome to lace up your shoes and join us on the playground!

LOW BRASS BAND

Mr. Schmidt and the low brass band will be coming to Fremont Elementary for special performance
Friday, December 22 at 1:45

JANUARY 9TH

K-5 will be going to the PAC to see Mr. Popper's Penguins in the morning thanks to the Fremont PTO. In the afternoon K-2 will be going to the Barlow Planetarium and 3-5 will be visiting the Paper Museum.

PLEASE REMEMBER TO BRING A LUNCH!

Child Development Days
