Calling all "Celebrity" Readers!!
March 2-6 is Read Across America Week!

(Adapted from readacrossamerica.org)

Why is it important to have "celebrity" readers?

When people make the time to read with children, children get the message that reading is important. Parents, members of your community, and local celebrities who make time to read at annual Read Across America celebrations help motivate kids to read and celebrate the diversity in their community and our country.

Children learn to enjoy reading by example. When they see adults whom they admire and look up to reading, children will be more likely to read for enjoyment as well. Meeting people from a variety of occupational fields helps to reinforce the fact that reading plays an important role in any career a person chooses.

Who are celebrities?

Celebrities include local officials, sports figures, public safety officers, parents and other guests from the community.

We are looking for "celebrities" in our community to join us and read to the students. This will take place on Tuesday, March 3rd from 1:50-2:50. If you know someone who may not see this, but would be a great person to come in and read, please send them the contact information below!

Please contact Mrs. Foster, sfoster@wfsd.k12.wi.us or fill out the form below and return, if you would like to come in and read to the students. Thanks for all you do!
